## Crowne Plaza

A vertical card with a white background. At the top is a circular graphic with a green globe in the center. Below it, the text 'Help Us Conserve...' is in green. The main text explains the program: a towel on the rack means 'I'll use it again' and a towel on the floor or in the tub means 'Please exchange'. It also provides the website [www.crowneplaza.com](http://www.crowneplaza.com) and the Crowne Plaza logo at the bottom.

**Help Us Conserve ...**

Every day, tons of detergent and millions of gallons of water are used to wash sheets & towels which have only been used once. We are implementing programs to help conserve water and other resources and we ask that you help us to do so.

If you would like your sheets changed daily, simply hang this sign on your door. Then new linen will be put on your bed. Otherwise, your bed will be made but the sheets will only be changed every 3rd day of your stay.

Regarding new towels:

A towel on the rack means:  
"I'll use it again"

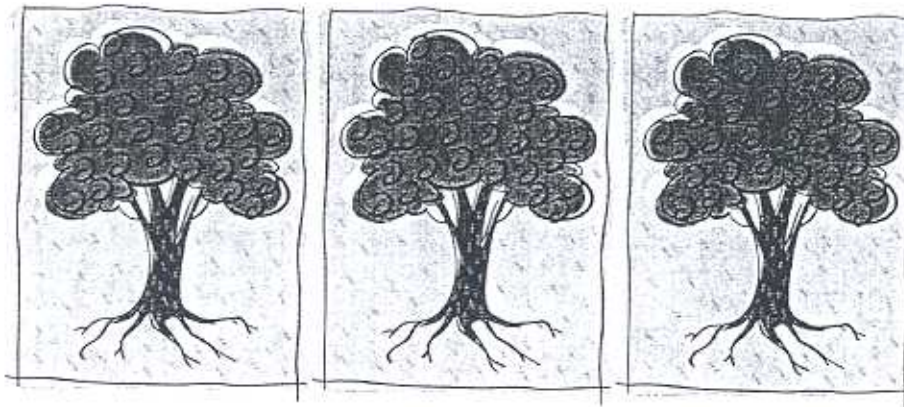

A towel on the floor or in the tub means:  
"Please exchange"

Thank you,
